## CATALOG No. 9

The following pages represent a wide variety of Commercial and Residential Lighting Fixtures. Types which are designed and manufactured on our premises and surpass all previous efforts in design and originality.

### GENERAL INFORMATION

#### Glassware

All Glass Units illustrated in this catalog are manufactured for us exclusively by Gleason-Tiebout Glass Co.

SPECIAL NOTE—All Glass Louvres shown in catalog are Extra Heavy Plate 3/16" thick.

#### Finishes

All finishes specified in catalog are stock finishes. Where aluminum merchandise is shown spray finishes can only be had, if plated finishes are required on aluminum merchandise, add additional 15% to net cost as same has to be made of brass material.

#### Lengths

Standard lengths are 48" over-all. An additional charge for lengths over 48", add to net cost 15c per running foot for chain type or 25c per running foot for stem type.

SPECIAL NOTE—Where chain type is illustrated and stem type required add to net cost 50c for regular length of fixture.

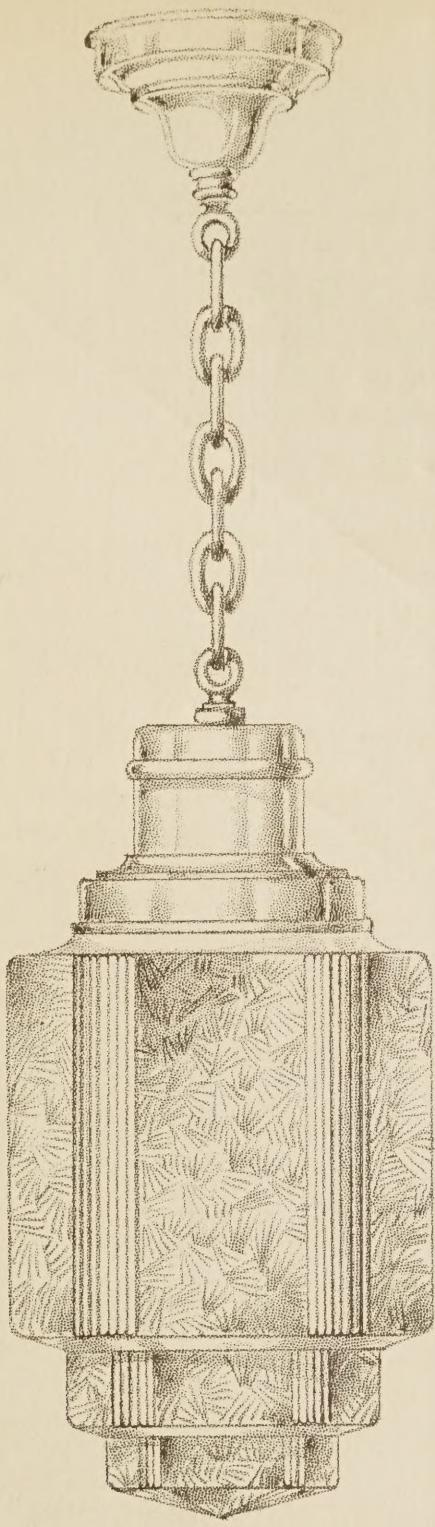

### ALL MERCHANDISE F.O.B. NEW YORK

#### Packing and Shipping

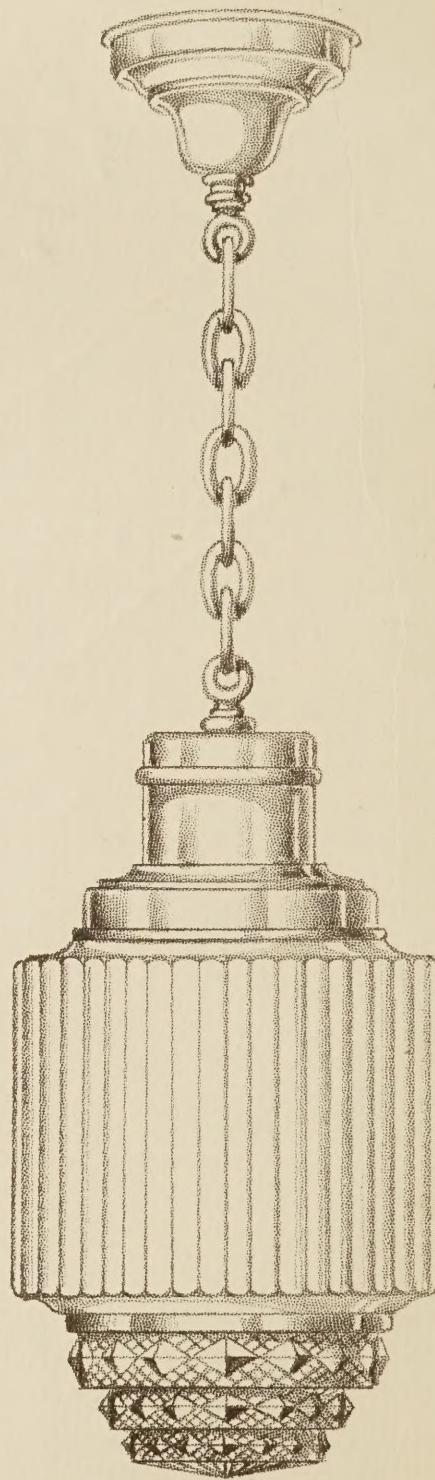

Shipments will be made by Railway Express unless otherwise specified. All claims for breakage must be made on Transportation Company. We ship and accept receipt in good order.

#### Wiring

All fixtures are listed wired. 5% can be deducted for fixtures required bare. When ordering please furnish all possible information and detail as to over-all length and finishes, as well as carrier and routing, to expedite shipments. SPECIAL NOTE—Fixtures can be furnished with 3-way socket and 3-way pull switch at additional net cost of 50c for socket and 50c for pull switch.
